

Clarifications about the offer of triple airtime value and 300 free minutes towards ELTA subscribers

- ❖ The triple airtime bonus will not be given for top up amount less than €10
 - ❖ The triple airtime bonus is given in the top up amount upon removing the mobile tax, for example for a top up amount €10, you will get in your account the amount of €26,79 (€10 top up - 12% mobile tax = €8,93 x 3 = €26,79 credit in your account)
 - ❖ The airtime validity period is set up 90 days from the date of the last renewal.
 - ❖ Bonus airtime can be used only for calls, video-calls, SMS, MMS to national mobiles & landlines, and for data usage. Rest destinations are excluded such as:
 - Premium Numbers
 - Short Codes
 - International calls
 - Services
- Subscribers that wish to call to these destinations will be able to by using the airtime that they have recharged themselves.
- ❖ The additional airtime bonus amount and the free minutes towards ELTA subscribers will be given with all valid top-up methods (ELTA top up cards, Vodafone Top up cards, e-vouchers) without any numerical limitation.
 - ❖ The free minutes towards ELTA subscribers that have not been consumed within a period of 30 days will not be transferred to a subsequent month and it will expire
 - ❖ The free minutes will be consumed per second, with minimum 3-minute call duration.
 - ❖ In case there will be remaining free minutes from a top up and new top up is performed, all free minutes will be added to your account with new expiry date, 30 days since the last top up.
 - ❖ Usage while roaming is not included in free ELTA minutes, while video-calls are included
 - ❖ Additionally, all subscribers receive informative sms, when they receive the free minutes of the offer, when 80% of free minutes have been consumed and when free minutes are expired or consumed.
 - ❖ In case of migration to other Vodafone prepay pack via 1266 change pack menu, any remaining credit or free minutes in your account will be lost.
 - ❖ All price points include VAT 24%
